YOU ALL WANT TO ROCK BIG- BOOTED SASHA FOX!

Dear *BootyLicious*,

If an open invitation means splitting open the full, big booty cheeks of Sasha Fox so that I can slide my big dick inside her, then she has my hope for an invitation. Sasha's hot-pink, winking starfish is amazing. It's as if it is begging to be impaled by my cock and draining it with her balloon knot.

My hot flesh slapping Sasha's full ass cheeks would be heaven. I have dreams of my hard meat going deep inside her tight backdoor. If I had her in doggie-style, I would be squeezing her perky titties while I fuck her until my dick pops out of her ass and my cum splatters all over her big cheeks.

My dick really stiffened for Aurora Jolie's Anal Angel layout, too. What fun it would be with my dick in-between her buns. I would split her crack open with my tongue, sliding deep inside her. I would love to tongue her buttery-sweet love knot, too. I would lick her ass and then I would spit all over her sphincter and slide my fingers inside of

her. I would finger her tight asshole and get it ready for my big, hard dick. I would love to anal-fuck her in missionary so that I could suck on both of her pretty, dark nipples while I pipe her hot twat.

SASHA FOX'S DEBUT IN THE DEC '09 ISSUE WAS A HIT!

BootyLicious always packs the pages with hot women with such lovely, big booties. It always keeps my dick hard as I turn the pages. So many fantasies that I would be here forever trying to list them. I would also like to sink my meat into Satin Lace, Sydnee Capri and Ambrosia Jones. There are so many sexy ladies on your pages to keep me beating my meat to their backseats for hours. Keep up the good job, guys. I'm a big fan.—B.C., Old Bridge, New Jersey

Dear *BootyLicious*,

I just happened to pick up a copy of your Dec. '09 issue and I fell in love with Sasha Fox. What a full-figured and sexy lady she is. I have to say that I was instantly drawn to her amazing pucker! I would love to slip my dick inside her asshole. It looks like it would be a piece of heaven on my stiff dick. Does she do XXX? Will you guys feature her again? I need more Sasha Fox in my life! She is my type of woman!—F.L., El Paso, Texas

Dear *BootyLicious*,

Sasha Fox was the BEST thing about the Dec. '09 issue. What a gorgeous face and her ass is nothing short of big and beautiful. She is exactly the kind of girl I need to meet. I love women who have pink assholes like hers. Bring her back. I await her next appearance on your pages!—W.I., Kansas City, Missouri

Dear B.C., F.L. and W.I.: If you thought that Sasha's asshole was perfect for plowing, you were right! This nasty newcomer takes an anal reaming on page 90 of this issue! Here's a bonus shot of her perfect pucker, now turn to page 90 and see this light-skinned slut go all the way in her XXX debut!

STILL SWEET ON SAPPHIRA

Dear *BootyLicious*,

First, I want to compliment you guys on a great *BootyLicious* March '10 issue. You always give us the classiest, sexiest babes in your magazine. I love their big, firm asses. Keep it up, please!

Secondly, I want to ask you to please show some more shots of the gorgeous Sapphira. You showed lots of her in your Dec. '08 issue and a butt shot of her in the March '10 issue and we want to see more of that super-pretty bombshell. She is my favorite booty girl.

Lastly, in your March '10 issue, some butthead from Des Moines Iowa wrote in to complain about too much anal and cock in *BootyLicious*. That is why we buy *BootyLicious*! We love gorgeous black assholes. I am a white guy and so are all my friends. We love firm, sexy lickable black assholes. Give us more! Thanks! R.W.S., Tillsonburg, Ontario

SEXY AND KINKY: KAPRI STYLES MAKES ME WILD!

Dear *BootyLicious*,

I thought that your March/April '09 issue was really good I am really glad that you guys do such a good job when it comes to finding hot women to put in

SAPPHIRA KEEPS 'EM CUMMING!

KAPRI STYLE'S ASSHOLE HAS CAUSED A LOT OF FAN CONTROVERSY.

your issues. There is always a great variety of asses and I enjoy them all. One of the raunchiest layouts in that issue was the XXX one of Kapri Styles. That girl is bangin'! I would die for the chance to fill her asshole with my dick. I am not usually into skinnier chicks, but there is something about Kapri that is sexy and kinky. She looks like one of those thin chicks that can take a good pussy pounding. Like she would handle a big cock with ease. And then the fact that

she loves to take cock in her ass is a definite plus. Any itty tiny woman that spreads her ass open to get stuffed with dick is a winner in my book. Is there a XXX DVD that goes

along with her layout? I would like to see Kapri in ass-fucking action.—R.R., Hisperia, California

Dear R.R.: Thanks for the letter, buddy! Kapri's scene in question is from the movie *White Bread, Black Jelly* and we recommend you get your copy right away. You are spot-on when you said that she looks like she can take a pounding. Kapri takes it in the poop chute so hard and so deep that you will think her asshole is a second pussy. We were very impressed by her fucking! You can get your copy of this dick flick on page 9.

GIMME MORE RIPE RUMPS!

Dear *BootyLicious*,

I am writing to you because I felt that I had to tell you guys that the March/April issue with Kapri's wide open asshole and pussy shot was GREAT! (I know that there were some complaints by other readers about it. They were totally off in their opinions.) PLEASE put more shots like that in the magazine. It was the selling point for me and I subscribed to *BootyLicious* because of that photo. Don't get me wrong, your big black butt models are great. I am a fan of black asses and your magazine caters to that and I love it.

There is only one thing that I would like to see in your magazine and that is some older models. I want to see older women, maybe in their 50s and 60s with big, black butts. Some of us like older

women with big butts now and then. I am 50-years-old and I would like to see women who are my age. But that's all that I would change about your magazine. Keep up the good work. I am one of your newer, but loyal fans.-Bob, Carpeninteria, California

Dear Bob:

look into the Fuck My Old Ass series, available on page 9. Especially Fuck My Old Ass 3 which features 49-year-old Semmie, a mocha-skinned personal trainer who would give any big booty-lover a super boner!

too. I buy every one of your features because they are quality, man. You guys spare no expense and you can tell. Other people's DVDs suck! The quality is shit and the models are ugly. It's sad, but true. But when you buy from *BootyLicious* magazine, you are sure to get good girls, good production and good jacking material. You guys are number one.

That said, I recently purchased your DVD *Big Cheeked Freaks* and I had to write in and say Bravo! Not only do you get to see Mz. Booty and her titanic ass getting sprayed down with cum, but

KIKI CARTER LIKES CANDY AND CUM.

you also featured some incredible newcomers that I haven't seen anywhere else. That's why you're the best.

These newcomers really make the movie for me. It doesn't get better than Kiki Carter, Keita Eden and my favorite, Pleasure Mia. What I wouldn't give to have a nasty orgy with these three

ladies. Those amazing asses jiggling and waiting for me to cum all over them...that is my version of heaven. Is there any way that you could hook a brother up with some bonus shots of these ladies' cum-covered asses? It would help to fulfill my jacking fantasy. Thanks in advance!—G.G., Montgomery, Alabama

Dear *BootyLicious*,

I am a fan of your magazine and I am a super-addict of fat-bootied women. Your magazine does an outstanding job of exposing the world to the second most-glorious thing about a woman's anatomy; her ass. (Of course, her sexy pussy has to come first.)

I really enjoy the diversity of women in your magazine and I have no complaints regarding the asses you put in the magazine. My problem comes in when it comes to the XXX section of

your magazine. You see I am an African-American male that really enjoys penetration. I get off on looking at a woman

Spank and spew spunk on these chicas' cabooses!

Eva wants anal real bad. The problem is that her man won't give her the ass-tunnel love that she craves. So she seduces him by rubbing her bulbous ass cheeks on his junk, sucking his cock and then laying the pussy on him in reverse cowgirl so he can enjoy the view of her butt cheeks bouncing as she rides him. It isn't long before he is piping her backdoor. And Kim Kardashian lookalike, Giselle, is out for a walk when she bumps into the Bun Glazer, a man who lives to coat Latina asses with his sticky goo. It doesn't take much convincing for this tan mama to go home with Mr. Glazer and put his meat in her mouth and then bend over and take a cunt full of cock. Watch her tan can jiggle and listen to her scream, scream, scream for hot man cream all over that ass.

She works that chocha (Pussy in Spanish.) up and down on his package and lets him slap her ass while he splits her slit. And who better to teach horny Latina slut Jasmin how to work a stiff one than booty veteran, Pinky? Pinky takes Jasmin under her wing (And her pussy!) and shows her how to suck that dick, fuck that dick and then take that dick up her horny asshole. It's hard to imagine that one dick is enough for all that ass, but in the end, this champ has enough cum for both of these ladies and their lumps. And Laurie Vargas may look like the girl-next-door, but she fucks like the whore down the block on the corner! Not only does she rock this meat with her mouth and her slippery pussy, but then she holds open her cheeks and begs for some cock in her chocolate starfish, too. There is nothing like hearing a hot, Latina chick begging you in Spanish to slam and then coat her big fucking ass. These mamacitas have the seats to drive you wild and take every ounce of cum out of your nuts, too! And with over 259 minutes of footage, you'll be jacking for days!

A GUIDE TO BUILDING A Better Ass

Not every babe is blessed with the perfect backdoor bubble that makes you drool. We know that. We also know that ass is the new obsession when it comes to ladies. Thanks to booty pioneers like Jennifer Lopez and Kim Kardashian, now every housewife, girlfriend and slut-next-door wants to have a huge, bangin' ass. Ass is the accessory to have these days. And what an obtainable accessory it is. These days, you can head on over to the plastic surgeon and get a number of ass procedures to take an ass from flat to all that. Women everywhere are opting for ass implants, the Brazilian butt lift and a number of steroid shots that are supposed to fill the rear and make it lush and ready for lovin'. Now, while we are all about the ladies who are naturally blessed in the booty area, we commend the ladies who are out there trying to build a bigger and better ass. However, before you run out and schedule some one-on-one time with a plastic surgeon and your favorite lady friend, there are some non-surgical alternatives to building a better ass. Maybe not as permanent or instantaneous as implants are, these methods do give the booty better shape and should be looked into as an alternative to expensive and invasive surgery.

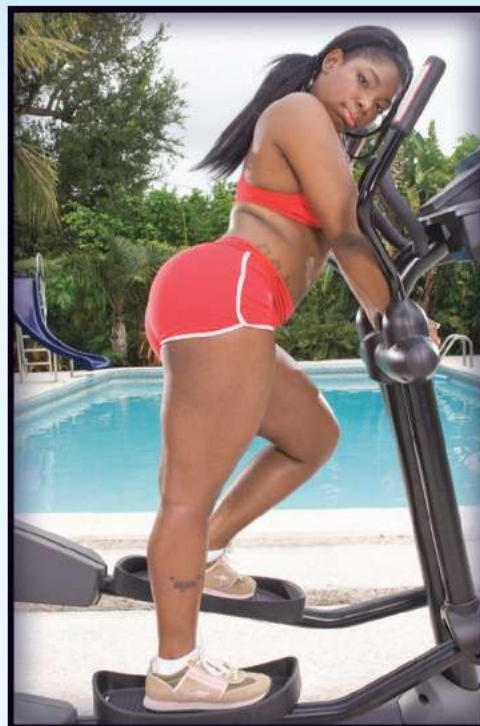

2 Shapers

Maybe not as great as the real thing, but there are a several butt shapers on the market that have removable, gel padding that will give your special lady a little bit extra booty back there when she is out and about. (The only drawback to this method is that once her clothes come off, so does her big ass.)

1 Squats

That's right. Exercise. Lots of it. (Seems like a pretty reasonable idea, right?) Fitness experts say that an exercise routine that focuses on shaping and lifting the gluteus will definitely give results. The only problem is that your lady friend has to get her butt off the couch. Good luck with that!

3 Weight Gain

While we are not suggesting that packing on a few extra pounds is going to give the lady in your life a glorious ass, we are saying that extra weight couldn't hurt. With most women becoming weight-conscious and dieting their curves away these days, it couldn't hurt for you to suggest that she pack on a few pounds to give you a little bit more cushion for the pushin.' B

A woman with large, rounded buttocks is shown from the back, looking over her shoulder. She has dark hair and is wearing large green hoop earrings. The background is a vibrant blue with a textured, painterly effect.

Giselle Humes
TAN CAN TAKEDOWN

In the Feb. '09 issue you were fucking, too, Giselle...

"And now I'm fucking again!" says Giselle, laughing. "It's so good that I had to come back for more. You know what they say about Latina girls? That we are hornier and nastier than the rest and it is 100 percent true. I think about fucking 24/7 and when I need it, I don't have a hard time getting it."

In the Dec. '08 mag, we talked about sex tricks...

"Yes, I told you about how I make a sundae in my pussy for my lovers to eat. Well, lately I've needed a lot of ass love, too. I like to feel a man's tongue in my asshole and his hot breath as he licks me. And I like pulling my cheeks apart really wide when I am on top because it stretches my asshole out and it feels good. Maybe I'm turning into a total butt slut."

Do you like to shove fingers inside your ass?

"There are times that I will ask a guy to finger my culo (Asshole in Spanish.), but mostly I am enjoying my ass being stretched open wide. And I like for a guy to tap his dick on my asshole, too. The smoothness of his cock head makes my asshole wink open and close. Sometimes I will even go as far as asking him to cum in between my cheeks so I can feel it dripping inside me little by little. But I don't mind if a guy wants to cum all over my tan ass cheeks, either."

How To Pick Up

Latin Chicks

Do you like curvy Spanish ladies, but have no clue how to land the caramel queen of your dreams? Wonder no longer, brothers!

ONE OF THE MOST-FREQUENTLY ASKED QUESTIONS THAT READERS JUST LIKE YOU GUYS WRITE IN AND ASK THE STAFF OF **BOOTYLICIOUS** MAGAZINE IS, "HOW WOULD AN AVERAGE GUY LIKE ME GO ABOUT HOOKING UP WITH A LATINA WITH A BIG ASS?" IT IS A GOOD QUESTION CONSIDERING THAT LATINAS WITH BIG BOOTIES ARE FUCKING CALIENTE! SO, WE POSED THE QUESTION TO LONG-TIME BOOTY MAN AND ALL-AROUND ASS RESEARCH GURU, DEACON GARRIT TO FIND THE ANSWERS AND TECHNIQUES AN AVERAGE JOE WOULD NEED TO SCORE WITH SOME SPICY AND CURVY SENORITAS.

IT'S ALL ABOUT LOCATION!

It doesn't take a rocket scientist to figure out that if you want to score with a Latina, you have to go to where there are a lot of Latinas. The more of them there are, the better your chances of nailing one become. If you live in an area where there is not a big population of Hispanic people, then you are going to have to travel, visit and/or move to a Latina-dense area. I poked around and did

some research online and found out that the cities with the biggest Hispanic populations were located in California, Texas and Florida. (All nice places to visit!) Since BootyLicious headquarters happens to be located in Miami, Florida, and since it was number 10 on the list of Hispanic cities, I hit the streets to find and speak to some curvy mamacitas.

LATINAS IN THEIR ENVIRONMENT

Latin women like to be out in the

sunshine...and usually in as little clothing as possible. (Maybe this is how they get those incredible tans that make their skin supple and smooth and the color of burnt sugar?) You can see them frolicking on the beaches, out shopping or in many a restaurant wearing these teeny, tiny outfits that scream, "Hi, there! Come fuck me!" And chances are that when you see them in said outfits, your dick will scream, "Hi! I want to be inside you!" Here is what I advise. DO NOT APPROACH THESE WOMEN LIKE

PLACE AND STATE	TOTAL POPULATION	% HISPANICS
East Los Angeles, CA	124,283	96.8
Laredo, Texas	176, 576	94.1
Brownsville, Texas	139,722	91.3
Hialeah, FL	226,419	90.3
McAllen, TX	106,414	80.3
El Paso, TX	563,662	76.6
Santa Ana, TX	337, 977	76.1
El Monte, CA	115, 965	72.4
Oxnard, CA	170, 358	66.2
Miami, FL	362,470	65.8

THEY ARE SLUTS JUST BECAUSE THEY ARE DRESSED LIKE SLUTS! The skimpy outfits are traps! They want you to see their curves and their bulging asses, but they want you to treat them like they are ladies, not sluts. If you approach a Latina on the street, DO NOT hit on her how you would hit on a hooker. She will freak out on you, slap you and let loose a bunch of Spanish curse words before she leaves you standing there with your hard-on wilting in your fucking pants!

A Latina is a complicated creature. She has a lot of fire in her soul. She is usually hot-headed, stubborn and known for loud ranting if she doesn't get her way. Do not let this intimidate you. That same fire she uses to fuel her anger is also the root of her passionate nature in the bedroom. Latinas are insatiable when it comes to sex. You just have to build your way to that point. If you follow these guidelines, you could end up in the caramel cushion promise land! Tried and tested, friends!

HOW TO APPROACH A BIG-ASSED LATINA

Latinas are (usually) brought up in strict, religious households. (Come on, man. If your daughter was a curvy, Spanish dream, you'd be strict with her, too!) So, they like to be approached with respect. This does not mean that your Latina dream girl is a prude, it just means you have to treat her like a lady in the street and a freak in the sheets.

A tip I picked up from a very friendly bodega owner (A bodega is a Spanish grocery store.) was to learn a few phrases in Spanish to impress the ladies. Spanish girls love it when you show that you are eager to be (In their pants!) part of their culture. You can walk up to her and say, "Hola, Senorita. Me llamo (Insert your name here.). Estas bien linda." Since most of you are non-spanish speakers, we broke that down phonetically for you. "Hoe-lah, Sen-knee-oar-ita. Meh Jah-moe (Insert your name here.). Eh-stahs Bee-yen lean-dah." We suggest you practice it over and over until you get it down. What that means is, "Hello, lady. My name is _____. You are very pretty." Trust that by learning this simple icebreaker, you will be

ahead of the game. And don't think I didn't test it out. I did. And it was received well by the ladies I practiced on. In fact, they giggled and seemed to enjoy my bilingual awkwardness.

Once I got the initial convo going with my broken Spanish, these ladies

spoke to me in perfect English! And you know what? They were way friendlier than the ones I tried to pick up with my usual lines. So now that you have a conversation going, what do you do next?

TAKING YOUR BIG-ASSED LATINA OUT ON THE TOWN

Where do you take your hot, Latin mama out to once you've charmed her? Latina girls like to eat. This should come as no surprise since they are usually built like shit-brick houses. Where do you think that all those curves come from? We suggest that you take her out to the restaurant of her choice, but if left up to you, take her somewhere that serves Spanish food as these ladies are fans of rice and beans. And don't take her to some hole-in-the wall, either. Spanish girls like to dress up.

They want to stuff all those curves into some hot dress and put on some high heels that will lift their huge asses up a few inches (Right about to the level of your cock!) and force them to cling to your arm all night so that they won't lose balance and fall.

(And who is complaining about that, eh?)

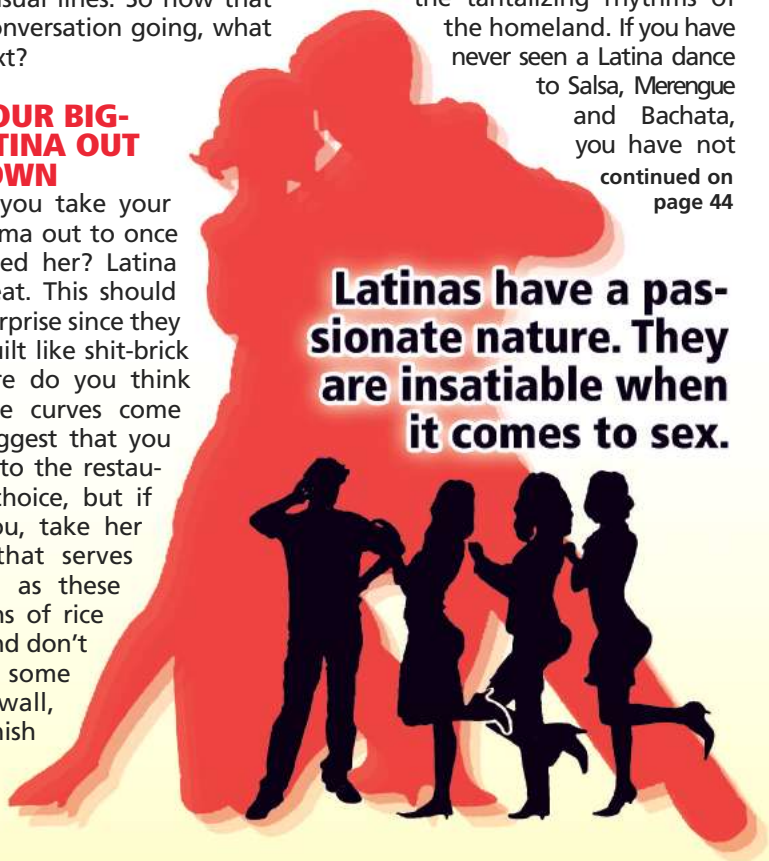

Take your lady out to a nice dinner and get her a few drinks. One popular drink is the Mojito, a blend of white rum, limes, mint and sugar. This drinks originated in Cuba and is guaranteed to ensure that the night ends off in your bedroom. Just don't let your Latina lover drink you under the table! Another drink to order is Sangria, a blend of wine, seltzer and fruits. It's a very potent drink so imbibe carefully. No one likes a sloppy Don Juan! Once you've wined and dined your Latina, she should be ready for the second part of your date. No, you can't fuck her yet! Be patient, Romeo. Your night is about to get better.

TIME FOR HER TO SHAKE THAT BIG ASS!

If there's one thing that Latinas are known for, it's their ability to shake their curvaceous bodies to the tantalizing rhythms of the homeland. If you have never seen a Latina dance to Salsa, Merengue and Bachata, you have not

Latinas have a passionate nature. They are insatiable when it comes to sex.

Ambrosa Jones
COUNTRY GIRL CABOOSE

Ambrosa, do you like to ride cock?

"I like to ride it like a cow-girl; nice and slow, using my thighs to hold on to a man and my pussy to grip his cock. When I am on top, I cum really fast because I am in control."

And during anal, do you like to be on top? Does it feel better that way?

"Anal is better when you're on top because you control how deep and how hard the stroke is. The best way for me is to switch from cowgirl to reverse cowgirl. I like to ride a guy with my pussy while I face him so he can suck my titties, but when I take that cock in my ass, I like reverse cowgirl so he can spank my booty."

KIRRA LYNNE

Here *Cums* The Bride!

Welcome back, Kirra! In the Jan. '09 issue you fucked your trainer, right?

"Yes, I did. And I worked his cock out so hard that he came all over my ass by the pool. That was exciting because we fucked right outdoors. It was kinky. But now, I am back and I am being a good girl. [Laughs.] Okay, so maybe I am not being good. Maybe I am dressing up as a naughty bride so that every single guy out there who likes white booty can jack his cock to me dressed up in white lace. Maybe I have this fantasy that I play the part of the good girl so that some big-dicked daddy can put me over his lap and spank me a little bit. Spanking is always good. You have to do it hard until my big cheeks are really red and hot."

You like costumes and spanking? You sound like a keeper!

"You have to be as nasty and kinky as you can be to keep things alive in the bedroom. Dress up, let your man fuck every hole and get all of the cum you can. Whatever it takes to make the sex always have that spark. I always say, 'I do!' to new and nasty things!"

HOW TO PICK UP LATIN CHICKS

continued from page 31

lived! These complicated dances are not to be attempted by the inexperienced. (Unless you want people pointing at you and laughing while you look like you are having a seizure on the dance floor.) But, with a little bit of encouragement from your Spanish lady friend, you can hang in there with a basic one-two step. Besides, this is not about you. Spanish dances are meant to showcase the woman you are dancing with.

The minute a Latina hears the rhythm of music that she likes, she will lose herself in the music. What happens next is a blur of hip thrusting, legs akimbo and ass wiggling that is not for the weak of heart. In fact, everything about Latin dances screams sex. It is a chance for a Latina to show you exactly how hot she is. There is no move too slutty and touching, grabbing or groping is encouraged. Some dances are even meant to simulate, dare we say it, SEX! (Does a little dance from the 90s called the Lambada come to mind? Well they didn't call it the Forbidden Dance for nothin', friend.)

Given the opportunity to slut it up for you, a Latina will.

She will tease and tantalize using her perky, round ass and hips. You don't even

Dancing is a blur of hip thrusting, legs akimbo and ass wiggling that's not for the weak of heart.

have to dance at all because she will dance enough for the both of you. It's a strange sort of foreplay, this part of your outing. She is saying, "Look at me. Check out my body. Touch me. Let's be wild and sweaty. I want to grind my ass all over you." Don't fight it. Just go with it.

One Latina I asked told me, "When a man can handle you on the dance floor, spinning you around and holding your waist, showing you that he can lead you around...well, that's how you know he can fuck. A man who can dance, can fuck really well."

That logic is pretty difficult to argue with. We suggest that if you are not a Casanova on the dance floor, take some lessons. The better you move while you're out boogying the night away, the more that she will think about doing the horizontal mambo with you later. So repeat after me, buddy, "A good dancer is a good lay. A good dancer is a good lay."

SEALING THE DEAL WITH YOUR CURVY CHICA

So you have picked her up, taken her out for dinner and let her shake her trunk on your junk for all the world to see. Now you are ready to get in her pussy. Maybe even inside of her huge culo. (Culo means ass in Spanish. Pronounced Coow-low.)

Here is where you will need your A-game, friends. Let's stop for a second and ponder the term Latin Lover. What comes to mind when you think about that term? Some superman Latin guy who works the ladies up into a frothy lather and has them swooning in the street, right? Some tan-skinned Lothario who can make a woman lose her panties

in a second with iust one look and fall to her knees in blowjob supplication the next, right? Okay, well that is who you are competing with, fellas. This is not the time to come with your average, good ole one-two fuck. You know what we are talking about. You get in there; stick your dick in, pump-pump-pump, bust and then you nap. Do not come with your Sunday-driving-dick-down routine here. This sexy mamacita has probably been fucked by the best. (Or at least you assume that she has.) You are going to have to fuck her better than the best and that means that you are going to have to cater to her passion, her fire and her nether areas. That's right. Time to work that pussy out!

Satin Lace
PRIVATE DANCER

Welcome back, Satin. What's new?

"So many things have changed since I posed for the Dec. '09 issue. I get recognized a lot and I love it. It makes me feel famous! And it's usually by guys who read my interview in the magazine and know that I am all about fucking. So, only guys who throw that good dick holler at me now. They know that this pussy can be everything they need and more."

So what's up with all of that cash?

"You know how it goes. These guys know that I give up this tight pussy like nobody's business, so they want to keep it all to themselves. They give me gifts and give me money and try and take care of me. I'm no gold-digger, but it's nice to know that this booty gets me lots of perks. It's not like I don't work for it. I'll sit on a guys face and dick and ride him for hours. This pussy is worth its weight in gold!"

What's the best way to fuck your ass, Satin?

"For me, it's not about the position I am in, it's more about how turned on I am. Before he fucks my ass, a guy should eat this pussy and spit in it. Let those juices drip down my crack and get my asshole ready for some fuckin'. The juicier that a man can make this pussy, the better it is when he puts his cock in my tight ass."

Kara Kane

 **NASCAR**
 **NYMPHO**

Kara, since your May '09 debut, you've become a fan favorite.

"That makes my day! When I started modeling, my goal was to go all the way to the top and knowing that *BootyLicious* readers are my fans means that I am doing a great job. In fact, I won't even lie, I am turned on that a lot of readers are jacking off to my ass. You know what? I was at the grocery store the other day and this guy kept checking me out, right? So I asked him if we knew each other and he told me, 'You are Kara Kane and your juicy ass has made me cum dozens of times.' I was so turned on by the idea of him cumming that I had to squeeze my thighs together because my pussy got wet."

Did you let him know how horny that made you?

"I didn't even have to. Because I could see his dick was hard in his shorts, too. I just leaned over and told him, 'Let's do this,' and I walked out of the store. He followed me out to my car and I told him to get in."

Where did you guys end up that night?

"I always had this fantasy of picking up a stranger and then taking him to some dark alleyway and fucking him on top of a car. And that is exactly what we did. We drove to these warehouses that were dark and abandoned and then I turned the car off and I told him, 'This booty is gonna make you cum in real time. Can you handle this ass?' He was all about it. We fucked on the hood and on the floor in front of the car with the headlights on us. It was amazing. He pounded my pussy and then he gave my asshole a real workout. The hottest thing was that he asked permission to cum all over my big ass cheeks. It was fun to have control over his load like that."

HOW TO PICK UP LATIN CHICKS

continued from page 44

EAT, EAT, EAT THAT PUSSY! AND THEN, EAT IT SOME MORE. AND THEN HER ASS!

If you want to stoke the fires of your Latina's libido, you are going to have to rock her fucking world until she is speaking in tongues. Kiss her like you are in one of those Spanish soap operas on T.V. (If you have never seen one, check one out immediately. You may not understand what the fuck they are saying, but the languages of high-drama and intense sexual buildup and blastoff are universal!) You have to be on her like this is the last night of your life and she is going to be your last meal. And by last meal, I mean, you had better be hungry for some pussy. In fact, you better order a few helpings of her tan pussy and you better love it.

I promise you on a stack of a hundred holy books that if you eat her caramel cunt and make her cum multiple times, you will have won your mamacita over. One smokin' hot Cuban girl that I spoke to in a café in the city of Hialeah said, "A guy has to eat pussy like he is starving. A lot of Spanish guys don't eat pussy good. I don't know why, but they don't. Some of the best head I have gotten from a guy was from a white guy. He ate my chocha (Spanish for pussy.) for, like, an hour. I was going crazy. I was, like, climbing the walls. Then all of a sudden, he was licking my asshole, too. I had never done anything with my ass during sex before, but I was so lost in the orgasms that I was down for whatever he wanted to do to me. I surrendered to his sexual mojo. When he put his finger in my asshole, it didn't even faze me. I was totally into it."

If you eat it, she will cum. If she cums more than once, she will be happy when you want to play with her asshole. If you play with her asshole, she will be into it when you slip a few fingers in there and start poking around. Who is to say that sooner than later, she won't mind when you start poking your dick in there, instead, eh?

And there you have it. Surefire ways to get that Latina boom boom. Methods that I personally researched and tested for scoring with Latinas. Now, you go out and try it. And when you land that fine Mamacita pussy and tail, write in and let *BootyLicious* know that your man, Deacon Garrit, led you to that tan promise land, brothers! **B**

HOLLYWOOD

Caramel Cushion

Welcome to *BootyLicious*, Hollywood. Tell us all about that ass of yours.

"Thank you! I am really excited to be modeling because I read your magazine all the time and have always wanted to pose. About my ass, well, my ass needs to be pleased. I like it when a man treats my ass like it is gold. That means he falls to his knees and he spreads my ass open and gets to licking right away. You can always tell a booty lover right off the bat because they know exactly how to work your asshole with their tongue. They are not shy about sticking their tongue as far in your asshole as they can."

Can you cum from having your asshole tongue-fucked?

"[Laughs.] I call my asshole my second pussy because it is very sensitive. If a guy fucks it with his tongue or even with his fingers, it makes me crazy. I start going wild and I lose control. My thighs start to shake and my pussy starts contracting by itself. On more than one occasion, my pussy has squirted cum all over a guy's chin while he was eating my asshole. If you eat it, I'll cum. It feels so good that I just go off!"

What other things make you cum that hard, Hollywood?

"Black guys! [Laughs.] I love to fuck black guys with big dicks. No offense to Latin and white guys because they are good, too, but black guys know how to lay the dick down. And they know how to fuck a thick woman like me. They appreciate all my curves. I have a lot of ass and it can be intimidating to some men, but not black guys. I like black men who can rap and know how to dress well. And the way I am built, they like me, too."

when she has that agonizing "fuck face" on because she is getting fucked hard. I'm upset because there is a shocking lack of brothers in your magazine stabbing these voluptuous seductresses. It makes it harder to imagine myself wearing out them pussy holes when all I see is a white dick hanging out of these women's fat asses. Now, I have no problem with interracial sex at all. I just want to be able to relate to what I am looking at while I am pleasuring myself. You see, I am currently incarcerated and your magazine provides a lot of relief to me while I am locked away in my cell.

Other than that one complaint, I really like your magazine. Please put more boy/girl pictorials in the magazine because I like to see them sluts getting drilled! That's all this booty fan has to say. Keep pimpin'!—Booty Fanatic, Lincoln, Nebraska

WHAT'S UP WITH THAT? NO MORE LAME FREE DVDS!

Dear *BootyLicious*,

First of all, I love *BootyLicious* magazines. I buy them all the time. In fact, I get mine from the newsstand every time a new issue comes out. I just have one complaint. I recently purchased the Dec. '09 issue with Cheetah on the cover saying, "Get Some Tight End!" and I was a little bit upset. I buy the magazine because I love to see the thick, black women and also get the free DVD that comes with the issue. Well, in this particular issue, the magazine was great but the DVD was terrible. I was expecting to see some thick, black asses getting nailed but to my surprise, it was an 18Eighteen DVD with petite, white girls. This really let me down. Can you PLEASE keep the good DVDs, with the big, black asses in these magazines? Thank you.—J.P., Monroe, North Carolina

Dear *BootyLicious*,

The Dec. '09 issue was a really good issue. The minute that I saw Cheetah on the cover, I had to buy it. I couldn't wait to get home and peruse my favorite magazine and then pop in my favorite free DVD and jack off to the big asses. Then, guess what happened? I opened the bag and there was nothing to jerk my dick to. Oh, there was a DVD in there, but you know what? It was a DVD of skinny, ugly, teenage girls. White teenage girls, at that, and that was a boner killer if I have ever seen one. Give

me my black asses in my free DVD! I don't want to see that teen shit. If I did, I would buy a teen mag and not your magazine. I assume that this was some sort of mistake and that it will never happen again. I have never had a bad experience with your magazine and I should hope that this fluke will never be repeated again. I believe in BootyLicious magazine. I am sure that this was a one-time, very random accident on the behalf of your publication. I look forward to the next issue and the right DVD.—H.S., Atlanta, Georgia

Dear *BootyLicious*,

The Dec. '09 issue was the worst ever for you guys. I had been waiting for three months for my magazine. Three long months, that is. Then, when I get into my car and ride all the way to the store to pick up my favorite magazine and do the happy dance, I am immediately disappointed. Usually, when I get the magazine, I cannot wait to get home and open the bag. This was not the case with the Dec. '09 issue. I opened the bag in the car and there was a fucking 18Eighteen DVD in there. Maybe I got the wrong bag, but if I didn't, this shit is not right. I buy the magazine with the free DVD in it because I want to see ass on my screen, not flat-chested, little boys (That's what they look like.) that can't even give a smooth and slow blow. I don't want to see teen girls with no curves. I am very upset at you guys and I really hope that this does not happen again. I still love you guys, though.—D.M., Baltimore, Maryland

Dear J.P., H.S. and D.C.: We would like to, first and foremost, apologize for the free DVD mix-up. It is never our intention to short change our loyal readers and we understand how upset you all must be. We have since located the problem with the distribution of these wrong DVDs and can assure you that this will not happen again. Here at BootyLicious magazine, we appreciate the faith that you put in us to provide you with the finest, curviest asses around and we take our mission seriously. You can rest assured that the DVDs in the bags will be the right ones from now on. Please accept our apologies and we look forward to bringing you hot XXX DVDs that feature the curvy, mocha-skinned ladies that you love. Thank you for bringing this matter to our attention. With your help we can make BootyLicious an even better magazine and give you hot, free DVDs.

Candace, in the Jan. '09 issue you said that ass was off limits, right?

“Yes, I did, and it is still off limits. But that doesn’t mean that I don’t want it played with a little! [Laughs.] I have a newfound appreciation for ass play. I never knew that so many guys were into pleasing booty, but I am glad that I found out because I love sitting on a man’s face and taking a ride on his wet tongue!”

I'll ride a man's face and play with my clit until I cum. And when I cum, I grind my ass on his tongue and I scream, 'Taste all that brown sugar, baby!'"

SANDRA ROMAIN: WHITE ASS AND ANAL QUEEN

Dear BootyLicious,

I am writing in to inquire about a model that you featured in one of your DVDs called *Nail My Tail*. She is a white, Eastern European model named Sandra Romain. I am not a booty man, per say, but I am a Sandra Romain fan and I was told that she does anal in this film and was interested in purchasing it. I think that Sandra has the best white ass in the entire world. I have seen a lot of white porn stars, but none of them have such a bulbous rear and such a fuckable mouth like she does. And when she fucks on film, it is an incredible sight to behold. She is the queen of anal. I have never seen a white woman more into it when getting fucked in her snug asshole. Sandra drives me absolutely wild. I was won-

dering if you could tell me if she really does anal fucking in this film and where I can get my hands on the DVD? Thanks for all of your help with this.—W.S., Arlington, Virginia

Dear W.S.: Yes, yes, yes! Sandra is incredible and gets our vote for having one of the roundest, hottest white asses

out there. She also is in *Nail My Tail*. And in this ass-blasting DVD, yes, she does take the meat pipe up her ass and it is one of our favorite anal sex scenes of all time. Maybe it's the fact that Sandra is one incredibly horny bitch, or maybe it's the fact that she gets so wild that she is practically speaking in tongues, or it could just be that we love her sexy accent (She is from Romania.) when she

KELLY STARR: BRINGS THE BOOTY AND THE LOL'S

Dear BootyLicious,

I have never bought your magazine, but I recently saw it at my friend's house and I have to say that I loved it. I saw the Feb. '09 issue with Skyy Black and Ms. Juicy on the cover and I casually flipped through it and landed on Kelly Starr's interview. I want to say that Kelly Starr is a fine-looking black woman. I have never been with a black woman before, but if I could, I would fuck the shit out of Kelly Starr. Holy shit have I had fantasies about her over and over. But I am sure that you guys know how fucking sexy Kelly is. What I am really writing in about is to ask what other movies, besides Thong Team she is in and also to ask if you could do me a favor. You see, in her interview, she tells this story about how she was dancing and something happened to her wig. I thought that it was the funniest thing I have ever read. When people write the term "LOL!" they mean that they literally Laughed Out Loud. Well, I fucking LOL'ed my ass off when I read that part of her interview. I was wondering if you could reprint that excerpt from her interview and my letter so that when I read it, I can LOL again. Please. Thanks for introducing me to the world of BootyLicious and for exposing me to the most-incredible black woman I have ever laid eyes on and jacked to; Kelly Starr.-N.D., Kansas City, Kansas

Dear N.D.: Welcome to BootyLicious! Thanks for the letter and for all the questions. We love it when our readers send in their thoughts and queries. We agree that Kelly Starr is one hot mama. Although we love her in Thong Team, we prefer her in Slam Jam (Which you can scoop up on page 9.) because she is just so hot in this DVD. (You can also score a copy of the Feb. '09 issue on

page 10 of this mag so you can have your own copy of her interview. But since we always do whatever it takes to make our readers happy, here is that excerpt from her interview you asked for. We thought it was pretty fucking hilarious, too.

"Well, I was an exotic dancer for 10 years. This one time I was on stage at the Barbary Coast in Gardena, California and I was super-tipsy. My two homegirls and me decided since the club was so packed we would all go up together and put on a show and split the money three ways. So we're up on stage looking sexy as hell, at some point I was on my back with my legs up in the air, spread-eagle. My two home girls were standing on either side of me shaking their booties, too. I had a long wig on and one of my homegirls was unknowingly standing on some of my hair, so when I went to get up, the wig stayed down! I sat up and realized the wig was off and at that time this song was playing by this rap artist named Petey Pablo where he says to, "Raise up! Take your

shirt off, twist it around your hand and spin it like a helicopter." So I picked the wig up and waved it around my head like a helicopter! I never missed a beat and kept dancing the whole time, though!

Everyone in the club was dying laughing and guys came running up to the stage flooding it with dollars! We were laughing hysterically but we made so much money that night."—Kelly Star, BootyLicious, Feb. '09

HOW BOOTYLICIOUS MAG SAVED MY MARRIAGE

Dear BootyLicious,

I'm your average white guy who lives in a suburb, works a crappy job and is married to a nice gal who gives me no reason to complain. But the problem was that my "nice" gal of a wife never let me do anything to her bubble butt and it really put a strain on our marriage. It's not that I want to do anything excessively nasty to her ass or anything. I just want to eat it, and finger it and fuck it. That's not too much to ask, is it?

ROOFTOP RUMP

Jada, you look finer than ever!

"Thank you! I like to maintain my booty and my body by rubbing lotion all over myself. That keeps everything tight and smooth. When I did my first *BootyLicious* layout in the April '08 issue, I was fucking, so I got the stud ready to rock by letting him lotion up my ass and titties before our shoot. It worked like a charm! He was ready for action right away. So it is something that I do every day now. It keeps my skin looking good and it really turns me on. My hands sliding all over my body and into my pussy is so good that I usually end up masturbating. Not that I need an excuse to touch myself until I cream. I am always horny and cumming is my favorite pastime."

**Besides lotion,
what other things
get you off, Jada?**

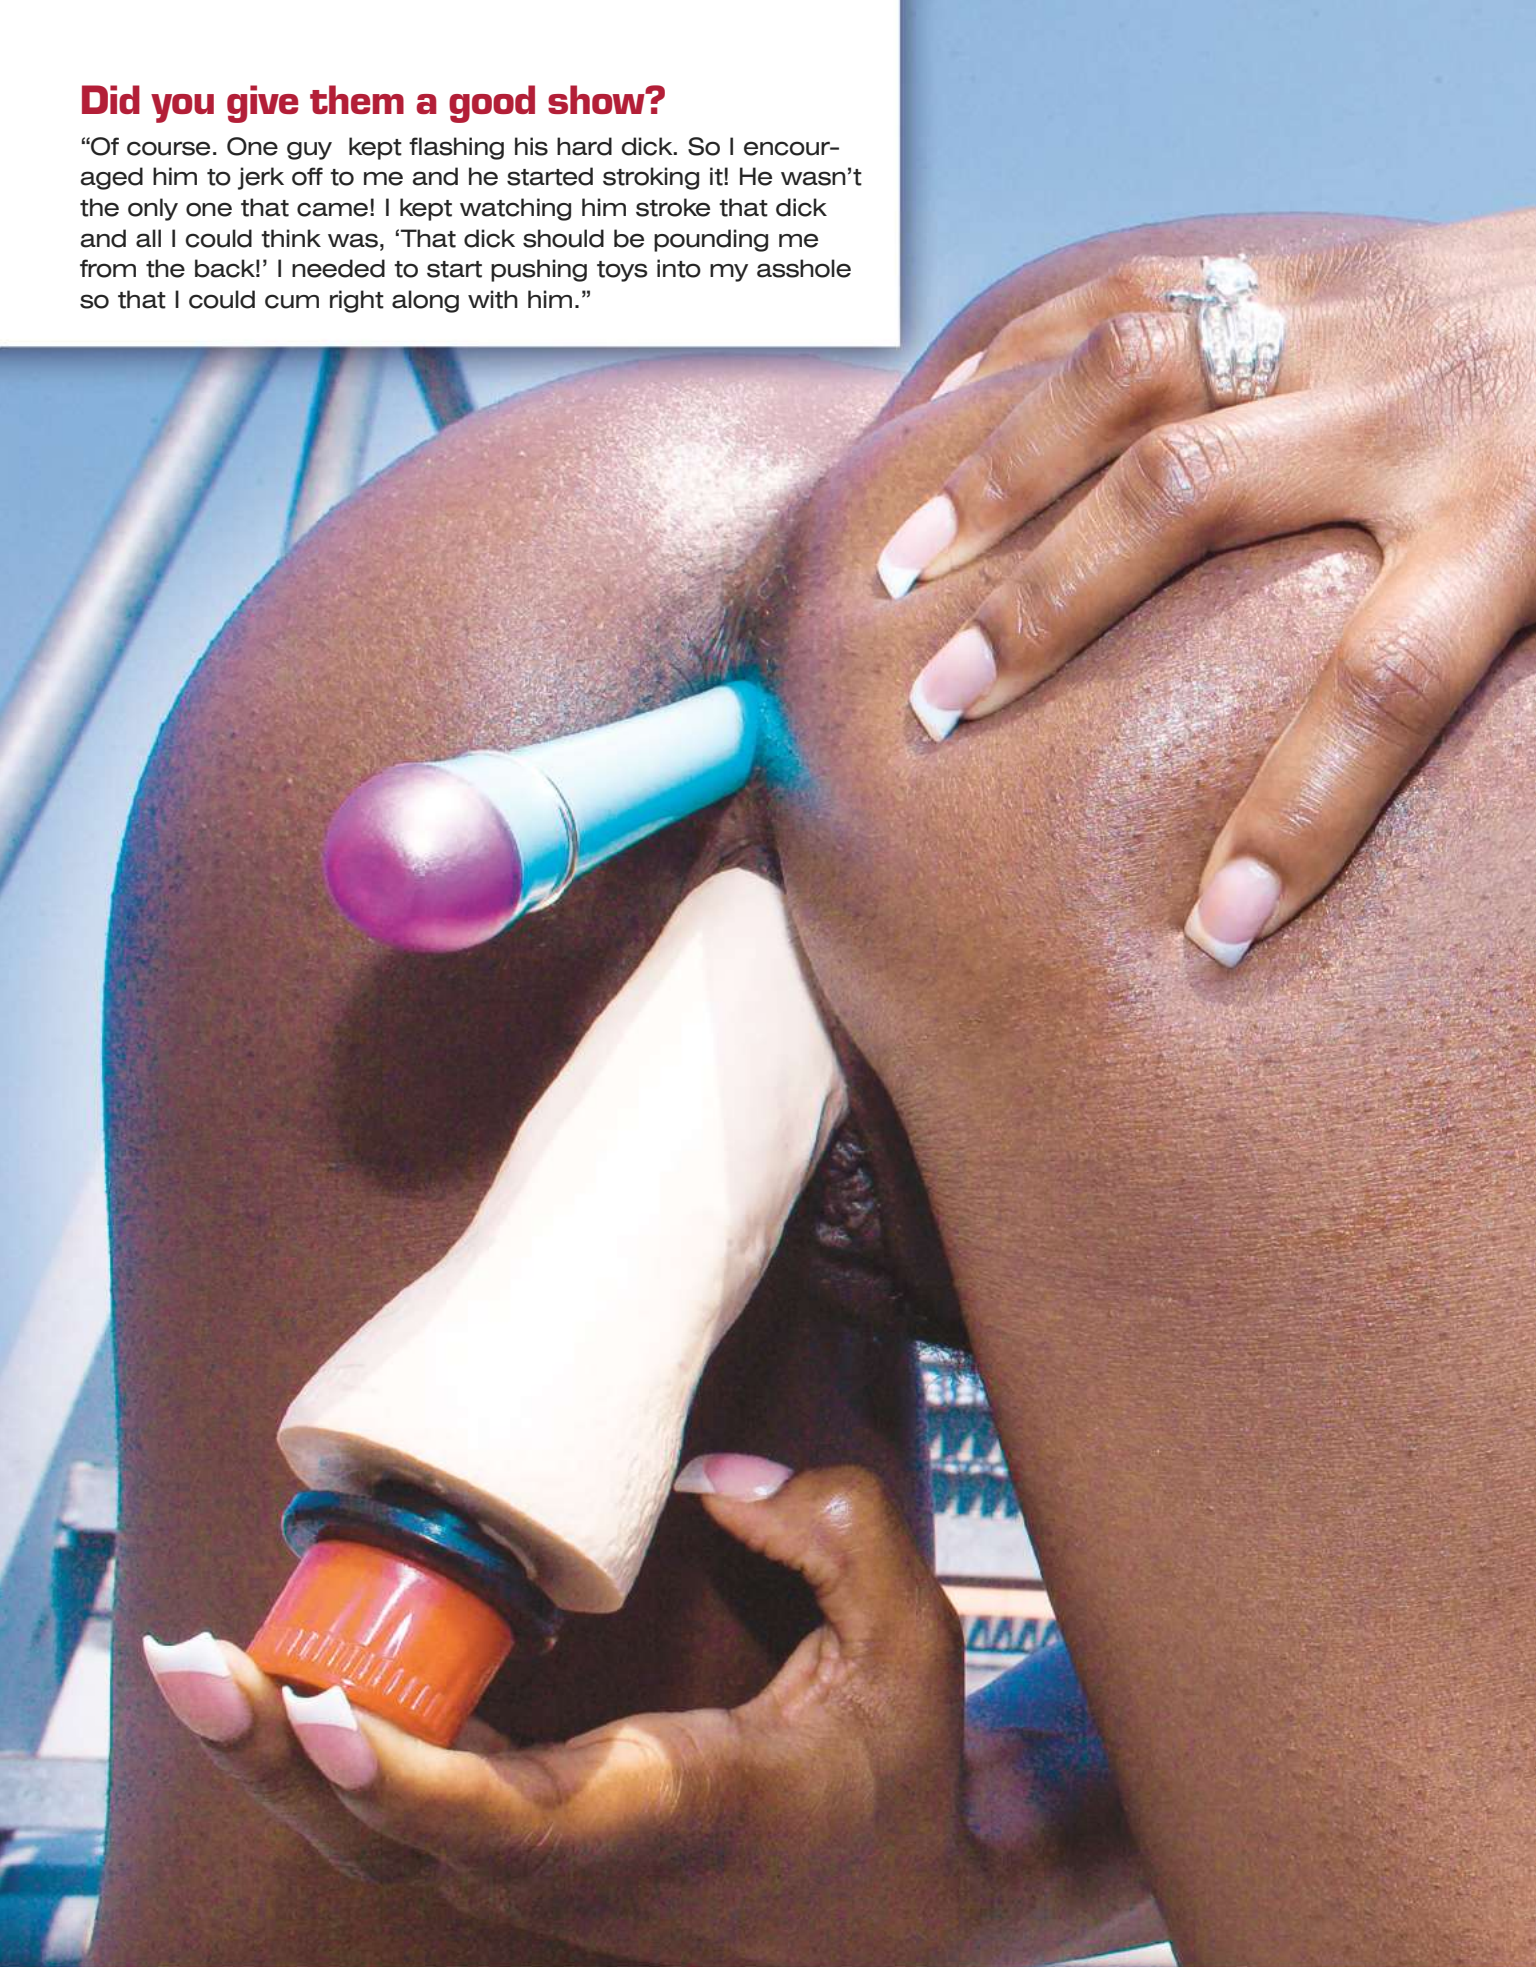

"I love being watched. And not just by my lovers. I am talking about voyeurs and strangers. When we were shooting these pics on the rooftop of my apartment building, I could see that people were watching from their windows in the other buildings and I loved it!"

Did you give them a good show?

"Of course. One guy kept flashing his hard dick. So I encouraged him to jerk off to me and he started stroking it! He wasn't the only one that came! I kept watching him stroke that dick and all I could think was, 'That dick should be pounding me from the back!' I needed to start pushing toys into my asshole so that I could cum right along with him."

BOOTY CALL

continued from page 80

You see, the problem was that I love ass. I love it. My ass fetish has been this deep, dark secret that I have kept hidden from my wife ever since I attempted to lick her asshole once and she sort of freaked out on me. I never attempted ass play with her again. But you can imagine how hard it became to hide my love of the booty. In fact, it put a real strain on my marriage. I started buying your magazine and jacking off to it whenever I could, in secret. But then my dick was tired and I couldn't perform with her and my wife thought I was fucking cheating on her!

Finally, I had to sit down and show her my *BootyLicious* issues and explain what aroused me and you know what? She understood! In fact, now she looks through the issues with me and we fool around. She has even hinted at trying anal for our five-year anniversary this month! I had to write in and say thank you for saving my marriage and making my wife understand the power of the ass.—T.B., San Francisco, California

WHY HAVEN'T YOU MADE A LATINA ASS XXX FEATURE?

Dear *BootyLicious*,

I am a fan of your magazine. I think that the girls are incredible. However, if I had to choose what my favorite flavor of ass is, I would have to say that I am all about the tan cans you have on your pages. I live in a predominantly white area and I never really get to see any Latinas with really big asses around here. (If I did, I'd probably cheat on my girlfriend. She's white and has a big, round butt, too. But it is not the big Latina ass I am always dreaming about.) When are you guys going to make an all-Latina XXX DVD for guys with Latina fetishes like me?—H.P., Davenport, Iowa

Dear H.P.: The wait is over, buddy! You can get a preview of our latest XXX feature, *Rican Rump Shakers* on page 12! Features 10 Latina asses for tan can lovers like you! Go get it!

SASHA FOX

"Stuff my asshole

full of cock!"

You told us we had an open invitation to your asshole in the Dec. '10 mag...

"That's right and now I want to show you exactly how inviting my sexy ass really is!" says Sasha. "I have always had these kinky fantasies about fucking on camera and then watching it later on and this was the opportunity to fulfill that dream. This stud started licking my asshole and I couldn't wait for him to stick his fingers in there. When he did, and I looked back and saw the camera, my pussy started throbbing nonstop!"

You look like you enjoyed your XXX debut. What was the best part?

"I really liked it when he was fucking me hard and I could hear his hips slapping against my big ass. That is how you know that you are really doing it right. You hit it so hard that my ass cheeks start shaking and then all of a sudden, you can hear them slapping and clapping on your dick. That's the sign of good rhythm. He thrusts and I pop my ass and hips at the same time and make my booty thunder! That's the best part."

What else besides ass slapping and good rhythm gets you off?

"To me, good sex is all about good communication. You have to say what you want to get what you need. I let a man know that if he can lick and tantalize my asshole, then he can tap this ass. I like to bounce my ass on his lap and look over my shoulder and say, 'You want to stuff my asshole full of cock, baby?' Every man who's ever been with me has wanted to stick it in my ass."
